The sculpted bracket

One consistent mark for the product, home screen, and field documents.

01 / PRIMARY LOCKUP - LIGHT SURFACE

Slim rail. Short returns.

Sculpted inner corners and a subtle ink offset shadow for light surfaces.

LOCKUP-LIGHT.SVG / LOGO-LIGHT.PNG

02 / REVERSE - DARK SURFACE

Charcoal surface: subtle warm-rust offset shadow.

03 / QUIET - FIELD DOCUMENTS

Keep project, report title, and signatures first.

Use the supplied artwork. Do not redraw, stretch, outline, recolor, or add a second shadow.

For reports use the quiet lockup when legible; tiny footers use the symbol. Outlined SVG keeps the lettering consistent.
